What you Pay

How is Your Insurance Premium Calculated

Your monthly insurance premium is based on Our calculation of Your average daily balance. This is calculated by adding the credit card Account balance at the end of each day during the statement period, not including any amount of insurance premium charged for this product on that monthly Account statement and not including any outstanding amount of any Special Payment Plan (if applicable), and dividing the sum by the number of days in the statement period.

Your monthly insurance premium is then calculated by applying the applicable Monthly Premium Rate, indicated in the Summary at the top of the first page of this Certificate, to Your average daily balance.

No premium is charged for any portion of Your average daily balance which exceeds the Maximum Amount of Insurance, or where Your average daily balance is less than \$10.

If You have any questions regarding how Your monthly insurance premium is calculated, please call us at 1-800-480-1853.

How Do You Pay Premiums

The monthly insurance premium and any applicable taxes will be:

1. automatically charged to Your Account; and
2. due with Your Account payment.

What is Your Monthly Premium Rate

Your Monthly Premium Rate is based on the level of applicable insurance coverage You are eligible for at a certain age. When You reach the age of 80, Your Life and Dismemberment coverage is reduced to Accidental Death and Accidental Dismemberment coverage, at which time Your Monthly Premium Rate is also reduced as shown in the Summary at the top of the first page of this Certificate.

Can The Insurance Premium Rate Increase

Yes. If the Monthly Premium Rate increases, You will receive at least 30 days advance written notice mailed to You at Your last known address.

Premium While Receiving a Monthly Benefit

Insurance premiums will continue to be charged to Your Account during the entire period of a claim for Involuntary Unemployment and Total Disability. However, a refund equal to the amount of the premium charged to Your Account as of the Statement Date coinciding with or immediately before Your Date of Loss, will be added to each monthly benefit payment and will remain unchanged for the duration of Your claim period.

If You continue to use Your Account to make purchases while You are receiving monthly benefits, You will be responsible for paying the insurance premium on any new charges.

Who We Pay

We will make claim payments directly to the Creditor who will then credit the payments to Your Account. All benefit payments are made in Canadian dollars.

When Your Insurance Coverage Ends

All insurance coverage on Your Account automatically ends when the first of the following conditions occur:

1. the date You request the cancellation of the insurance coverage provided by this Certificate;
2. the date Your Account is cancelled by either You or the Creditor;
3. the date Your Account becomes 90 days past due;
4. the date one or more of the Master Policies are cancelled;
5. the date a Life, Accidental Death, or Terminal Illness benefit has been paid; or
6. the date of death of the Primary Cardmember.

Coverage available for Your Spouse ends on the date Your insurance coverage on Your Account ends.

Quebec: Please note coverage for Spouse is not available. Refer to the Limitation on Coverage for Spouse - Quebec as outlined in the "Statutory Provisions" section.

Life and Dismemberment coverage will be replaced with Accidental Death and Accidental Dismemberment coverage upon an insured person's 80th birthday.

What Happens When Your Account becomes 90 Days Past Due

Your insurance coverage ends when Your Account becomes 90 days past due. Once Your Account is back in good standing, Your insurance coverage will automatically resume with the original Effective Date.

However, no benefit is payable for claims where the Date of Loss, as defined under each coverage, is between the date Your insurance coverage ended and the date Your insurance coverage resumes.

How to Submit a Claim

In the event of a claim, contact Us at **1-800-480-1853**.

Submitting Your claim as quickly as possible will help to avoid unnecessary delays in the payment of Your benefits.

Claim forms should be completed, at Your expense, and sent to Us at Our office no later than 90 days after the Date of Loss, except for Life and Accidental Death insurance. Claim forms for Life and Accidental Death claims should be sent to Us as soon as reasonably possible. Failure to report the claim within the stated period of time may invalidate Your claim.

We will require proof of Your continuing Total Disability or Involuntary Unemployment on an ongoing basis on a form acceptable to Us.

Send Your completed claim form and related documentation to:
